"Social media is just growing and growing. ... Democracies around the world now are struggling with the absence of a sort of truth arbiter, and there's no one who defines what facts really are. [So] it's really hard to govern today. ... People go and self-select where they go for their news, for their information. And then you get into a vicious cycle... [With] disinformation, our First Amendment [i.e.

freedom of speech] stands as a major block to the ability to just hammer it out of existence."

~ Former left-liberal secretary of state and top superclass member John Kerry at a Davos meeting in September 2024, just before the U.S. elections that Trump won, largely due to social media.[1]

*"**[July 2, 2020 post:]** Is this The Mother of all rabbit holes? ... isgp-studies.com... Be sure a trusted intimate ... knows where you're going. It's a rabbit hole from which you may never return. ...*

*"**[July 7, 2020 update:]** I meant to come back to this awhile ago to say: 1. There's much on this website that I'm disappointed in: his dismissal of chemtrails and claims they're ordinary contrails; says RFK assassination not a conspiracy; dismisses too much about pizzagate (pedo symbols debunked)... doesn't give any mention to [WTC downed with scalar weaponry theorist] Judy Wood in his 9/11 research."*

~ July 2020 forum posts at TheHigherSideChats.com.[2] How do these conspiracy theory people get the facts so systematically and bizarrely wrong?

INTRO

Past ISGP-addressed conspiracy disinfo

In many different articles at this point, ISGP has addressed the issue of globalist propaganda and conspiracy disinformation found everywhere online, as well as regularly on television. Here's a summary-list of articles this subject has already been addressed:

1. Credible vs not credible conspiracy theories

2. "Conservative CIA"
3. "Liberal CIA"

4. Coast to Coast AM
5. Alex Jones Show
6. Rense

7. Coast to Coast AM: 911 aspect
8. 9/11 "Truth"
9. Steven Greer and his Disclosure Project
10. Graham Hancock
11. RFK assassination disinformers
12. The Trump I administration's ties to Pizzagate claims.
13. A massive forum as Reddit, even in all conspiracy-type channnels, blocking ISGP articles and enforcing "liberal CIA" opinion across the line.

All the people above, and also the thousands of guests that they often interview, have been spreading very organized, very systematic disinformation. A lot of the disinformation is very universal:

1. Chemtrails
2. Ancient aliens
3. Moon landings didn't happen
4. 9/11-no-plane theories
5. Holocaust didn't happen
6. Etc.

In other words, ISGP has been busy countering "liberal CIA" propaganda, "conservative CIA" propaganda, and conspiracy disinformation for a very long time. The problem is, new conspiracy disinformation outlets and gurus are being propped up all the time. To a degree, new conspiracy disinformation theories - generally based on new events - are being generated all the time too, but as indicated above, at the same time certain theories remain prominent for decade after decade. They are just repeated by newcomers to the conspiracy scene. Increasingly the disinformation, especially that involving spiritual or UFO affairs, is mixed with globalist propaganda along the lines of "gender and race equality" and LGBTQ.

Why this oversight

This new article and oversight has a variety of purposes:

1. It keeps track of newer, "hipper" conspiracy disinformation outlets - which often continue to push the same old disinformation.
2. It gives a glimpse at how vast the online conspiracy disinformation network is.
3. It just gives the reader practical examples of where to encounter disinformation.

Ultimately this oversight is just ***a relatively minimal effort*** to show how prevailent disinformation sites and pages are in search engines and on social media - and to what extent they are quietly tolerated by search engines, media and politics, even well into the 2020s, a decade into the

so-called "war on fake news", which started in the run up to the first Trump presidency. All these websites and social media pages I have run into just by looking up a variety of conspiracy-related search queries, such as "CFR", "trilateral", "bohemian grove", "9/11", "CIA", etc., plus a number of specific names and connections in relation to ISGP research.

When I say "tolerated", I look at the ranking of these pages and sites compared to ISGP, which already in 2015 started encountering Google censorship, and eventually, certainly by the early 2020s, was near 100% buried in Google, and to a lesser extent in other search engines as well. Meanwhile, an army of extremely low quality conspiracy disinformation sites, at one point or another, had much higher ranking than ISGP, even sites with Holocaust denial, terrible black-purple designs, loads of expired navigation links, scummy advertizing, and notices as "data limit exceeded".

Why is it that sites like these can be ranked so high, relatively, while ISGP - in particular in Google - has been almost completely removed? Why is no one even asking questions about this phenomenon? And this years into a so-called "war on fake news"?

Fact is, by the late 2010s Google increasingly started to wholesale suppress anything "alternative" and "conservative, but it should be clear that these low quality conspiracy disinformation websites massively clogged and still clog up search engines. Of course, this (manufactured) problem formed the basic argument for Google's censorship of the web, in April 2017 deliberately starting to artificially push "authoritative" websites.[3] This censorship process escalated over several years though.

We're dealing with several problems here:

1. A high quality site as ISGP being suppressed in Google much harder than any black-purple, Holocaust-denying conspiracy disinformation blog.
2. These latter type of websites clogging up search engines.
3. Search engines not properly filtering out low-quality content, by having algorithms go, "Yeah, no mark up, terrible 1990s design, pink letters on a black underground, no sources, dead links, little content, only links from other propaganda sites. We are going to filter this site out." This is a relatively easy process. It actually falls under a basic SEO check, which always has been part of the Google algorithm.
4. Search engine censorship being introduced to artificially promote "authoritative" sources.
5. The mainstream media subsequently being able to charge money again for content.

In any case, below are various lists of conspiracy disinformation sources. Sometimes these lists are updated, depending on what I run into, and if I have time to add it.

Thousands of sites not listed here

Keep in mind that over the years and decades, conspiracy disinformation shows as Coast to Coast AM, the Alex Jones Show, the program of Jeff Rense, or even the Joe Rogan Experience podcast together have featured thousands of different guests, all with a focus on conspiracy disinformation: chemtrails, ancient aliens, five-shooters-at-the-jfk-assassination-site claims, 9/11-no-plane theories and everything in between. Most of these guests had, or still have, one or more websites to promote their work.

2018: Replaced in Google with Cercle Pinay-related article by two temporary "shitblogs" with hyper-obscure Tokelau (.tk) domains, due to Google having artificially given ISGP a domain rank of zero or even minus zero.

There's been no focus here whatever to list all these sites. The focus has been on documenting what I personally ran into when typing in various search queries in different search engines. At least a small portion of that, because hundreds to thousands of disinfo sites I have run into since 2003 I simply cannot remember anymore.

70,000 Google results for (Dutch) conspiracy disinfo in a year

Some time after creating the first version of this article, I found that I had already listed quite a few Dutch conspiracy disinformation blogs and sites in a 2014 ISGP article, as examples of how quickly disinformation spreads. I also included these sites' estimated Google domain rank. At the time Google's domain rank still was a big thing with political sites, as it wasn't tampered with and overwritten manually by Google. In order to get a good sense of rankings, I was using MozRank, which simulated Google's (non-public) domain rank algorithm. At the time I observed and wrote:

> *"Can one take serious the literally thousands of conspiracy "non-blog", "non-sites", and "non-Youtube" channels that have been established? It is absolutely mind boggling. Take Toos Nijenhuis [with her ritual abuse accusations, which I feel at least in part are a*

> *rip off and obfuscation of my 'Beyond the Dutroux Affair' article]. Within a year she has close to 70,000 different references in Google. Her story has spread to at least hundreds of different sites. Although, sites? No, "non-sites". Cheap, made-in-an-hour, copy-paste non-sites. ...*
>
> *"[MozRanks of 3.3 to 4.7 mostly, and up to 5.29.] These are some impressive rankings. Let's compare: Amazon: 7.94. Youtube: 7.66. New York Times: 7.31. Rense: 6.43. Infowars: 6.37. Daily Mail: 6.06. Old ISGP.eu: 4.62. ISGP today (backup): 3.29. Old ISGP made the 4.62 ranking only after multiple links of Infowars and Rense. Old ISGP also had maybe 40-50 Wikipedia links. Where do these other sites get their high rankings from? Most of them should have a ranking of 0 to a maximum of 2. It appears many different sites, whether they oppose or support each other, get pretty decent ranking, even when there is nothing of substance on them. ...*
>
> *"[Following is] a tiny, miniscule sample of the sites with Toos Nijenhuis' name on them, together with their Mozrank. ..."*

Mind you, none of the blogs and sites this disinformation ended up with had any interest in linking to ISGP. To only link to each other, or all copy-paste the same type of disinformative sources.

I noticed the same thing with Anneke Lucas, who, in my opinion, also spread disinformation in response to my 'Beyond the Dutroux Affair' article. A December 2016 article of hers on the website of the "liberal CIA"-backed group Global Citizen [4] rapidly spread across the internet at the time, while none of the copiers had any interest in distributing my much-more-documented articles. As I observed at the time, and as I documented in the "liberal CIA" article:

> *"What was amazing to behold was that this article was largely copied by other new age - conspiracy disinformation - sustainable development combination sites, including Earth-matters.nl (chemtrails, etc.), Galacticconnection.com, Care2.com (partners include ["liberal CIA"] Pew Charitable Trusts, WWF [with its 1001 Club], Environmental Defense Fund) and others."*

Just by looking at these patterns - even while ignoring the low quality, disinformative content - the only conclusion possible seems to be that all these little disinformation sites merely are fronts created by intelligence services.

LISTS

100+ conspiracy disinfo websites

1. **2012nwo.blogspot.com:** Found it through a link on "Holohoax" website 9-11truthbds.org. Traditional John Bircher site which certainly in the 2020s has become "refreshing" due to a relatively high amount of truth, talking about the CFR, Trilateral and United Nations striving for a world government. It mainly discredits itself - as has been the norm for decades - with its copy-paste presentation and hardcore Christian stance against the coming "one-world religion": 'America in Bible Prophecy and the End of Days', 'Satan's Conspiracy Against God', 'It Is an Honor to Suffer for Christ'.

2. **911nwo.com:** One of the sites of Dr. Eric Karlstrom, with sections 'Directed Energy Weapons / Geo-Engineering' and 'UN/One World Government'. In the latter section we read link titles as: 'Part IV: The (Jewish) “Controllers” and Their Destructive Mission' and 'Gangstalking 101: Rockefeller-Tavistock-CIA-MKULTRA Mind Control & Torture, Psychiatry as War Weapon; Psychiatrists as 5th Column “Shock Troops,” & Gangstalkers as “Counter-gangs” in “Counterinsurgency” To Control Civilians (Insights from D.A. Hughes, 2024)'. Karlstrom has been invited to the pro-Nazi conspiracy disinformation show Rense. [5]
3. **9-11truthbds.org:** Split-off from NewsFollowUp.com. A 2016-founded Anti-Israel Boycott, Divestment, Sanctions (BDS) site promoting the "Holocaust hoax" and other conspiracy disinfo. On its first frontpage-webarchive of Sep. 19, 2016, it has the text: *"Reject NeoNazis and the use of the swastika. It reinforces the Holocaust lie [which is] an event that never occured..."*, with article titles as '9/11 Pieczenik bin Laden died in 2001, Sept 11 was Bush inside job', 'Israel Nuked WTC', and 'Obama, gay in Chicago'. One of the first things it did was copy-paste from ISGP a 2016 Pilgrims Society membership list, mix with with Jew hatred, and with that give Google an excuse to completely boot the relevant ISGP page out of the Google results due to "duplicate content". This is discussed in ISGP's Google censorship article.

4. **aanirfan.blogspot.co.uk:** Later.
5. **AbruptEarthChanges.com:** Terrible-looking site which is the 6th hit on Yahoo on August 28, 2021, behind the official Bilderberg site, Wikipedia, a fake conspiracy news site and the David Icke forums, for 'bilderberg 2021 attendees'. The site complains about coronavirus lockdowns, "medical tyranny" and ties everything on Earth to some kind of new age *"grand solar minimum"* theory.

6. **AboveTopSecret.com:** Forum that in the 2000s and 2010s whose members were major perveyors of Area 51-type UFO disinformation similar to that found on Art Bell and Coast to Coast AM for decades.
7. **Ae911Truth.org:** Architects and Engineers for 9/11 Truth. Disinformation similar to all other 9/11 "truth" sites.
8. **Aim4Truth.org**
9. **AltamontEnterprise.com**
10. **AshtarCommandCrew.net:** Mozrank of 0.00 in 2014. Copied the claims of Kevin Annett. Promoted a lot of Agartha, Akashic Records, and 'Psychic Presidential Prediction'-type stuff next to claims of Alex Jones and George Noory of Coast to Coast AM.

11. **Battleforworld.com:** Page 2, link 2, in Yahoo in March 2021 when typing in '"council on foreign relations" "trilateral commission"'. Linked article: *"[The world rulers] are known in whispers as "The Council of 7 Men", "The Seven Dark Ones", "The Seven Branches", "The Seven Children In Hostage", etc."* Site slogan: *"Counter-forces fighting against the ruling elite cabal One World Order empire."*
12. **Bestgore.com:** Top gore video site completely dominated by the most rabid immigrant- and Jew-haters. Shut down late 2020.
13. **BibleBelievers.org.au:** Slogan: "The second coming of Christ". Page 3 in Yahoo in March 2021 when typing '"council on foreign relations" "trilateral commission"', linking to a very old 'Initial List of Council on Foreign Relations Members'.
14. **BibliotecaPleyades.net:** Copy-past conspiracy archive site. Has always been very prominent in search engines. Number 1 in Yahoo in March 2021 when typing '"council on foreign relations" "trilateral commission"'.
15. **bilderbergMembers.files. wordpress.com:** 12th hit on Yahoo on August 28, 2021 searching for 'bilderberg 2021 attendees', this behind two official links and an endless stream of garbage. The site is pretty much blank. No design really. It only has copy-pasted a 2019 Bilderberg list with some quotes, all without any kind of mark up. A PDF is linked with a bizarre, confusing anti-immigration rant about South African white Afrikaners having been betrayed by the British monarchy, mixed in with invocations of Christ and denunciations of "liberalism".
16. **BookShop.org:** Its 'Coronapocalypse' book featured prominently in Google in 2021.
17. **BroadStreetBeacon.com:** 3rd hit on Yahoo on August 28, 2021, right behind the official Bilderberg site and Wikipedia, for 'bilderberg 2021 attendees'. Turns out, this a fake news satirical troll site on conspiracy, citing Bilderberg chair Henri de Castries as follows: *"Sierra City [is] also far away enough to confuse Alex Jones. And it's also the final resting place of Adolf Hitler."* Moving to the front page,

the website has a news article entitled 'Defense Department Testing Fluoride Chemtrails in Nevada County'.

18. **CanadaFreePress.com:** *"Elite crooks ... Committee of 300 ... Jim Marrs ... We suggest you allow Aaron Russo to educate you..."* This is to be found in the article linked on page 1 and 2 in Yahoo in March 2021 when typing in '"council on foreign relations" "trilateral commission"'.
19. **CatholicResistence. blogspot.com/2006/08/sungenis-on-nwo-zionism-and-end.html:** Comes up on Sep. 18, 2021 as link 8 searching DuckDuckGo for '1977 penthouse expose of "trilateral commission"'. Basic blog with only a few posts on it. The url already makes its credibility clear.
20. **Chemtrail-ee.blogspot.com:** Not much more needs to be said.
21. **Chemtrailsinourskies.wordpress.com:** Site active in 2014. The url speaks for itself.
22. **CoastToCoastAM.com:** Biggest conspiracy-related disinformation radio show. All its hundreds of guests spread disinformation, meaning that all their websites could be included here.
23. **ConspiracyRevelation.com:** German-language site. As I open the frontpage on Aug. 25, 2025, the top article title reads: 'Krebskartell Germany, kein Angiom, Neoplasma, Krebs ist von der Natur, alles Genwaffenswitches durch Darpa-Synbio und Chemtrails und Dews Strahlung, Fern-Dna-Manipulation, Aura-Bioenergie-Sabotage von der Genozidregierung'.
24. **ContinuingCounterReformation .blogspot.com:** 4th Google result searching for '"the Trilateral Commission is the Carter Administration." penthouse 1977', amidst lots of dirt at the top of the index. Terrible-looking blog totally and completely incoherently obsessed with anti-Vatican and globalists-are-leftists propaganda. The page I ended up on pushes fake news that Obama's handshake was snubbed by Russian officials, while in reality Obama introduced American officials to Russian prime minister Medvedev. One of the links suggests that JFK was assassinated, because he tried *"to push the freeways away from Catholic University of America and Georgetown University."* The site is nothing but an ugly pile of incoherent, disinformative, religious nonsense.
25. **CorbettReport.com**: Chemtrails, 9/11-no-plane theories, etc.

26. **DavidIcke.com:** Icke is (in)famous for his shapeshifting lizard theories, but also pushes tons of other disinformation, including the idea that no plane hit the Pentagon on 9/11. His site also pops up high in search engines on occasion: forum.davidicke.com ('The Bilderberg Meeting 2021') is the 4th hit on Yahoo on August 28, 2021, right behind the official Bilderberg site, Wikipedia and a fake conspiracy news site, for 'bilderberg 2021 attendees'.

27. **Disclose.tv**.
28. **discover.hubpages.com/education/Who-is-the-Rockefeller-family:** Link #1 in Yahoo in March 2021 when typing in 'rockefeller illuminati'. Written in 2018.

29. **EndTimesNews.home.blog:** Subtitle anno 2025 'Endtimes, Last Days, Revelation PlanetX Nibiru Hercolubus Frightener Planetary Crossing Dragon'.
30. **EverydayConcerned.net:** Has a heading at the top that reads 'Toxins Found in COVID Vaccines, Masks, Swabs'. Ran into the site by a published article entitled 'Organized Gang Stalking (GISTAPWO – 666)...' talking about *"the CIA/MI6/Tavistock/Royal Family/Rothschild/Judeo/Masonic/Satanic elite"*.
31. **ExploringRealHistory. blogspot.com/2020/03/part-1-eyes-wide-openwatergate-was.html:** Comes up on Sep. 18, 2021 as link #9 searching DuckDuckGo for '1977 penthouse expose of "trilateral commission"'.
32. **Express.co.uk:** Promotes a variety of sensationalist conspiracy disinformation subjects. Example articles: Oct. 16, 2017, 'End of the World TODAY? Planet Nibiru 'to bring race of ALIENS and trigger apocalypse'' and May 14, 2018, 'SHOCK CLAIM: Aliens sent by the Devil are coming to DESTROY EARTH'.

33. **Federaljack.com:** *"All three Illuminati classes are mind programmed... it is my contention that prominent Jews were recruited by the Templars..."* Second page link in Yahoo in March 2021 when typing in 'rockefeller illuminati'.
34. **Fightingmonarch.com**: First page link in Yahoo in March 2021 when typing in 'rockefeller illuminati'.
35. **FollowingWorldChange.wordpress.com:** Mozrank of 3.75 in 2014. Blog that on Dec. 22, 2014 posted about a 2014 feud between elite-tied UFO disinformer Alfred Webre of ExopoliticsTV and Kevin Annett, who accused just about all world leaders of child abuse.
36. **Foodlord.in/house-of-xtmfewg/limits-to-growth-2019-bf45a9:** Lyndon LaRouche stuff on "neo-Malthusian". No alineas or mark up, and part of the site of a "dining bar". Still, among the top links in Google in March 2021 searching on 'club of rome' membership.
37. **ForeignPolicyJournal.com:** Infrequently updated and largely defunct since 2020. Home to contributors Richard Falk (the pro-Arab one-time senior CFR member turned 9/11-no-planer), Ramzy Baroud, *"journalist and the editor of The Palestine Chronicle"*; and Paul Craig Roberts. Mixed seemingly real foreign policy analysis (last June 12, 2020 headline article: 'Why Do Taliban Continue to Kill If They Are Serious about Peace?') with conspiracy disinformation articles (Mar

24, 2011, 'A Rothschild Plan for World Government.' - still on the front page as of Aug. 2, 2021).

38. **Fourwinds10.com:** Christian site that pushes Benjamin Fulfurd's writings and the like. Copied old info from ISGP.
39. **Globalresearch.ca:** Michael Chossudovsky's website, which has pushed chemtrails, 9/11-no-plane theories, etc.

40. **GalacticConnection.com:** Mozrank of 4.62 in 2014. One of the cheap copy-paste blogs that copied the information of Toos Nijenhuis. At the top it markets a $144 '[Matrix] Implant Removal Process', followed by a $216 'Soul Alignment & DNA Activation' program.
41. **GangStalkingMindControlCults.com:** Ran by the same Dr. Eric Karlstrom - an emeritus professor of geography at California State University Stanislaus - of 911nwo.com here. A guest of pro-Nazi conspiracy disinformation show Rense. [6] As already documented for 911nwo.com, Karlstrom's "article" titles always are schizophrenically unreadable. Only by accident did Karlstrom include a link to ISGP in a copy-paste of ISGP's Pilgrims Society membership list, preferring to only give attention to a John Birch Society author on the subject who invented a bunch of names by guessing their membership.
42. **Geopolitics.co:** Linked on an anti-Catholic conspiracy disinfo site that showed up high in Google for me on September 6, 2021. The site has a big Julian Assange quote at the top, but bathes in random conspiracy irrationality and disinformation. The 2012 article I end up with reads, *"Ptolemaic Papal bloodlines ... all controlled through the Jesuit Order and their Knights of Malta & Teutonic Knights all based in missile protected Borgo Santo Spirito in Rome. ... Saturnalian Brotherhood - The Real 13 Zoroastrian Bloodlines of the Illuminati."* The half-done site promotes HAARP theories and Benjamin Fulford.
43. **Globalwatchweekly.com:** *"Transhumanism, the Great Reset, the Covid-19 vaccine agenda and Nephimology."* Front page is empty. Barely any text in linked "article". Still, first page link in Yahoo in March 2021 when typing in 'rockefeller illuminati'.
44. **Godlikeproduction.com:** conspiracy disinformation forum.

45. **HetGroterePlaatje.nl:** Pusher of Illuminati ideas along the lines of Fritz Springmeier. On the front page anno 2021: *"The 'illuminati'... They consist at the core of 13 extremely wealthy families."*
46. **HenryMakow.com:** Pusher of Illuminati and Protocols of Zion theories.

47. **Illuminatiexposed.home.blog:** Link #2 in Yahoo in March 2021 when typing in 'rockefeller illuminati'.

48. **Illuminatirex.com:** Page 2 and 3 in Yahoo in March 2021 when typing in '"council on foreign relations" "trilateral commission"'. Linked page: illuminatirex.com/secret-societies/: *"Top Ten Secret Societies: ... No. 1 Bilderberg... No. 2 Illuminati. No. 3 Skull and Bones. No. 4 [CFR] No. 5 [TC] No. 6 Priory of Sion. No. 7 Bohemian Grove. No. 8: Freemasonry. No. 9 Committee of 300. No. 10 Knights Templar."*
49. **Infowars.com:** Alex Jones' primary website.

50. **joeland7.wordpress.com:** Anno Aug. 25, 2025 the top article on this schizo-looking blog has the (superlong) title: '... Dr. Jeremiah Wright Jr. Speaks on Israel and 9/11 ... Rod Parsley The Ultimate Zionist-Illuminati Agent'.

51. **kitsfastuhm.tk:** As discussed and screenshotted in the Google censorship article, I encountered this low quality, temporary (because not in webarchive) Tokelau-based site during a January 20, 2018 Google search. Its copy-paste of a Cercle Pinay article of ISGP, together with fremmusemi.tk, helped push ISGP very far down the Google rankings due to ISGP having been artifically given literally zero or minus domain authority by Google.

52. **Libertygalaxy.com:** Page 2 in Yahoo in March 2021 when typing in '"council on foreign relations" "trilateral commission"'. This involves just a small page only containing some external links to CFR, Bilderberg and Trilateral Commission members in Trump's cabinet, plus the statement *"Trump Swap, it's alive! The Rothschild / Rockefeller mafia."* Political redirect site with 'Science: Aliens and UFOs" and 'Occult' sections with entries as *"Grimoires, Illuminati, Hermetic Order of the Golden Dawn, Skull and Bones, Thule Society, Quill and Dagger."*
53. **LibertyInternational .wordpress.com:** 18th hit on Yahoo on August 28, 2021 searching for 'bilderberg 2021 attendees', this behind two official links and an endless stream of garbage. It's the usual copy-paste blog with little to no design features, in this case ran by a deranged, old hippy-looking guy. Interestingly, the article is a full copy-paste of Michel Chossudovsky's disinformative-but-infinitely-more-well-known GlobalResearch.ca, indicating globalresearch.ca has been downranked in favor of these type of utter garbage links.
54. **LibsAreNuts.substack.com:** On Nov. 27, 2024 I ran into this site while searching for "council on foreign relations". The page in question discusses the CFR, Trilateral Commission and Bilderberg in one go, and does quite insightfully: quite clearly because it has been heavily copying from ISGP. Without looking deep at the site, its slogan is: *"Liberals Are Nuts. Exposing liberal lunacy one looney*

liberal at a time." Hence, it has been heavily criticizing Obama and is radically pro-Trump.

55. **Liftingthewool.wordpress.com:** 8th hit on Yahoo on August 28, 2021, behind the official Bilderberg site, Wikipedia, and various other conspiracy news sites, for 'bilderberg 2021 attendees'. The title of the Feb. 2021 article that pops up? 'The Satanic Council, part 2: The Bilderberg Group.': *"According to our whistleblower (OW), the Satanic Council and different committees under the Satanic Council are required to have a few meetings a year. One of their meetings is called the Bilderberg meeting (1). Using a reverse logic... Given Google's representation at the Bilderberg conferences... The Daily Mail (British) infiltrated the Bilderberg conference in 2018..."* About section: *"I'm a baking enthusiast [and] Christian who enjoys writing. ... Satan is real, and [lies] that the bible is a fairy tale."*

56. **MindControlBlackAssassins.com /tag/sheri-denise-allred/:** Comes up on Sep. 18, 2021 as link 5 searching DuckDuckGo for '1977 penthouse expose of "trilateral commission"'. One page blog with irrational new age / magic / cult / CIA rants: *"Her ILLUMINATIUS (ILLUMINATI- US) supported global charities include expressly, LucisTrust."* The top caption has literally not been edited: *"Just another WordPress.com weblog."* About section: *"My interest in BLACK MANCHURIAN CANDIDATE began... on May 19, 1969, Malcolm X Day Celebration and Black Student Conference at Merritt Junior College, I unwittingly came face-to-face with one of the military-industrial-medical complex experimental products, a prototype Black zombie assassin. ...*
    I had to escort the young man safely away from campus. The information collected about the young man including the gun that he had was subsequently compromised by a state police agent/informant that had infilrated our security team."
57. **ModernHistoryProject.org:** Official-sounding website that is heavily anti-liberal, with disinformative subtitles as 'The Great Reset' and 'Coronavirus coverup', while linking to various well-known disinformative websites and authors, such as 9/11-no-planer and chemtrails-pusher James Corbett.
58. **Moonofalabama.org**.
59. **Mysticurious.com:** 'Hidden in Plain Sight: 13 Family Bloodlines of the Illuminati' on page 2 in Yahoo in March 2021 when typing in 'rockefeller illuminati'.

60. **NationalVanguard.org:** Hit no. 3 on Yahoo searching 'senator george mitchell bilderberg' on August 28, 2021. The site writes against white guilt pushing by elites, but this is nullified by the fact that this is the (or a) site of the Jew-baiting pro-Nazi group with similar name. If

you click on 'Buy Books' you are taken to CosmoTheistChurch.org where William Pierce's 'The Turner Diaries' are prominently sold.

61. **NewDemocracyWorld.org:** 9/11-no-plane, anti-global warming, anti-Israel writings.
62. **NewsFollowUp.com:** Same founder and design of the extreme "Holohoax" conspiracy disinfo site 9-11truthbds.org site listed here. Site founded in 2002, with possibly the worst design ever. Anti-War on Terror early on. Looking at a Dec. 3, 2017 webarchive, the site has a special category for Pizzagate disinfo, with the primary article linked to having the title 'Israel Nuked the WTC, was in on JFK, has extorted $billions from the Holocaust Hoax'.
63. **NewsPunch.com / Yournewswire.com:** Spreads outright fabricated material. Ran by Adl-Tabatabai, formerly an employee of famous conspiracy disinformer David Icke.
64. **NewsWithViews.com:** Hit no. 3 on Yahoo searching 'senator george mitchell bilderberg' on August 28, 2021. Early 2000s-looking conservative conspiracy site founded in June 2001. It has major HTML error codes in the 'About' section, and still pushes the 2004-released 9/11-no-plane disinformation film 'In Plane Site' in the left column when I visit it in 2021, along with other disinformation.
65. **nwobroadcastcorp.wordpress.com:** Holocaust-denying website. The site was the top image link on November 5, 2024 when searching for my own name, and the only Google result showing my photo - over my own site. Wrote: *"At the end of all this "research" Reijden (who looks like Jewish "Satanist" Anton LaVey's love child) produces this peach of a discovery: Holocaust Denial or Revisionism is not just nonsense says Reijden its absolute nonsense."*

66. **Ohoakebooks.com**.
67. **One-trinity.com**: First page link in Yahoo in March 2021 when typing in 'rockefeller illuminati'.
68. **ordoabchao.ca/volume-five/secret-team:** Link 4 Sep. 18, 2021 searching DuckDuckGo for '1977 penthouse expose of "trilateral commission"'. David Livingstone.

69. **Payseurs.com:** First page link in Yahoo in March 2021 when typing in 'rockefeller illuminati'. Presents an alternative Illuminati story to Fritz Springmeier's.
70. **Prisonplanet.com**: Alex Jones' secondary news website.
71. **pizzagate.fi/english/book-pedophilia-empire-satan-sodomy-the-deep-state/:** Comes up on Sep. 18, 2021 as link 2 searching DuckDuckGo for '1977 penthouse expose of "trilateral commission"'. Pizzagate, which dominates this dump-looking blog, is a bogus affair.

72. **Propagandamatrix.com**: Old website of Alex Jones ally/employee Paul Joseph Watson.
73. **Qanon movement**: Movement that sprang from the old extreme right 4Chan forum, similar to the bogus 2016 Pizzagate affair it has supported. The basic idea of the movement basically comes down to Donald Trump being the savior of the white/human race from the globalist cabal of pedophile Satan worshippers - who tend to be overwhelmingly "leftist" and Democrat. The movement has been discussed/pushed around the world in mainstream newspapers and magazines as a prime example how dangerous and vast the "extreme right" is.
74. **PsychopathInYourLife.com**: I saw a podcast referencing ISGP with the title 'What is the Pilgrim Society? * All WHITE Group that runs the world. The original INCEST group? USA and UK run the world via Pilgrim Society'. Antifa-inclined site with titles as 'WHO are the Royal Monsters running the World?', 'The Elites are Transgenders' and 'Marijuana IS Medicine', etc.

75. **RealJewNews.com**: The 'Categories' list reads: 'Jewification" Of America', '9-11 & The Jewish Gatekeepers', 'A Jewish Police State Is Coming', 'Brave New Judaic World', etc.
76. **Reddit:** This involves most, if not all, conspiracy channels. Moderators - often of dozens of channels - have always refused to link to ISGP articles, have them downvoted, and otherwise push little but disinformation. Reddit literally has a policy that black, Arab and Latino minorities cannot be racist - because they are minorities. It is part of the globalist Silicon Valley cartel. ISGP has written about the origins and censorship issues at Reddit.
77. **Rense.com**: Very prominent, long-standing conspiracy news aggregate website with roots going back to 1994. It claims to be "anti-Zionist", but has celebrated Hitler's birthday (literally) and pushes disinformation as chemtrails and everything else under the sun.
78. **Rumormillnews.com:** General news and conspiracy disinformation blog/site. Still able to raise $1,600 in March 2021 through donations.

79. **Sanluisvalleywaterwatch.com:** Yet another conspiracy disinfo site ran by Dr. Eric Karlstrom, a guest of pro-Nazi conspiracy disinformation show Rense who speaks out against man-made climate change. Other sites already discussed here include GangStalkingMindControlCults.com and 911nwo.com
80. **Stillnessinthestorm.com:** Democrat-bashing conspiracy site making references to Bibliotecapleyades.net in this case. Page 1, link 2, in Yahoo in March 2021 when typing in '"council on foreign relations" "trilateral commission"'.
81. **SOTT.net**.

82. **Steverotter.com:** First page link in Yahoo in March 2021 when typing in 'rockefeller illuminati'. COVID hoax, flat earth theorizing, etc.

83. **tttruth.com:** "Black nobility", lots of complaining about Zionists and Jews. Top link in Google in Yahoo in March 2021 when doing searches on Club of Rome membership.
84. **TheGlobalElite.org:** Mozrank of 4.25 in 2014. News site with "Committee of 300" and "black pope" in the headlines. Among its subsections is 'Geoengineering News', with headlines as 'Exclusive: Leaked Photos of Chemtrail Dispersal System'. One of the sites that copied the information of Toos Nijenhuis.
85. **TheHigherSideChats.com:** Conspiracy talk has been dominated by "alt right" disinformation: chemtrail-pushing, promoting Dr. Judy Wood, etc.[7]
86. **TheFreeThoughtProject.com**: Site completely dedicated to police abuses, with at least one John Bircher among the staff members. Some Molon Labe and media-controlled-by-CFR stuff on site.
87. **TheMillenniumReport.com:** "Pedogate & Pizzagate" heading. Page 1, link 3 (also on page 2), in Yahoo in March 2021 when typing in "council on foreign relations" "trilateral commission"'.
88. **TheNewAmerican.com:** Good old magazine of the "old right" "alt right" John Birch Society. Page 1 and 2 in Yahoo in March 2021 when typing in '"council on foreign relations" "trilateral commission"'.
89. TheShameCampaign.com: Mozrank of 3.24 in 2014. Cheap Wordpress blog that copied the information of Toos Nijenhuis. Subsections include 'Illuminati', 'Satanists/Luciferians', with "recent posts" in 2014 as 'Worldwide Satanic ritual for JFK's death', 'Goy', 'Khazar', 'The Whole Story: Talmud, Zionism, Communism, Pedophilia, Murder & Bigotry', and 'Myron Fagan exposes the Illuminati/CFR, 1967'.
90. **TheTruthSeeker.co.uk**.

91. **Unforbiddendocs.wordpress.com:** Second page link in Yahoo in March 2021 when typing in 'rockefeller illuminati'.
92. **Unshackledminds.com:** 11th hit on Yahoo on August 28, 2021 searching for 'bilderberg 2021 attendees', this behind two official links and an endless stream of garbage. Why? Because it is a recent November 2020 article that has 'Why the Bilderberg's Replaced Donald Trump With Yes Man Joe Biden' is its title... Terrible-looking site with no interface except a front page. Article written by "Auto". Quote: *"Trump is just another 'actor' turned President. ... Sleepy Joe Biden: ... They needed a Satanic Shill to implement the North American version of the 'Great Reset'. Here in Canada we have out own Bilderberg Shill in Justin Trudeau ready to implement the Illuminati's 'People Control' plan. [and] build our COVID 21*

Internment Camps." The front page is all about disinfo how Covid vaccines are not effect at stopping the Delta variant.

93. **Veteranstoday.com:** Website with high-level, international intelligence representatives, who engage in 9/11-no-plane disinformation.
94. **Voltairenet.org**

95. **Wakeup-world.com:** First page link in Yahoo in March 2021 when typing in 'rockefeller illuminati'. Chemtrails, HAARP, etc.
96. **place4free.com/Watamula/ Watamula_Hitleralive.htm:** Encountered this Curacao-based site during a May 5, 2020 Google search. Its copy-paste of ISGP's Demmink article pushed ISGP out of the Google rankings due to ISGP having been artifically given literally zero or minus domain authority by Google. Looking up the site again in 2025, it consists of one blog post, claiming that Hitler was still alive after World War II.
97. **Wearechange.org**
98. **weoccupyearth.wordpress.com:** Mozrank of 3.15 in 2014. Copied the claims of Kevin Annett. A July 16, 2014 webarchive of the front page shows article titles as 'Sandy Hook Hoax', 'Moon Landing Hoax', The Numeric Language of Secret Societies', etc. One sub-heading reads 'Global Warming Hoax'.
99. **whammisright.blogspot.com:** Link 6 Sep. 18, 2021 searching DuckDuckGo for '1977 penthouse expose of "trilateral commission"'. All-black and grey blog with a number of rant-like posts on them: *"Socialism? REALLY ??? Are there STILL people out there who "think," oops, I mean believe (obviously there is NO thinking going on) that Socialism works? As half Swede, I can tell you that Socialism has done irreversible damage to the homeland...*
You need to listen to the testimonies of various mind control victims, researchers, and Illuminati defectors such as Cathy O'Brien, "Mary Anne," "Svali," "David Icke," and many others." Rants about the bible as well, etc.
100. **Whatreallyhappened.com**
101. **Wikispooks.com / Wikispooks.org:** Site that has been very supportive of ISGP, but I can't agree with some of the prominent theories of one of its admins, Peter Presland, which includes Holocaust denial, 9/11-no-plane theories, and support for an absolute madman of the conspiracy movement: Dave McGowan, who claimed that the 2013 Boston Bombing was a "hoax" with bombs not going off at ground level and injuries being a psy-op.

I also wondered around 2022 why another Wikispooks admin was unconcerned, even privately, about clear evidence of Google censorship in their statistics. I do know, CNN has no trouble linking

to the site and that Wikispooks was formally mentioned by a liberal-globalist NGO in a list of disinformation-pushing sites during the Trump years. ISGP was not. In any case, I've always been very appreciative of Wikispooks' support, and they do make a ton of very useful information available, but we differ on the details.

102. **ymlp.com/zb1R2M:** *"Cogs in Club of Rome's Genocide Machine."*

103. **Zerohedge.com**.
104. **zlj13051967.wordpress.com ('The Balkans Chronicles'):** I run into this cheap and terrible-looking blog on September 25, 2022 searching on Google.com for 'bilderberg "een-derde" politici zakenmensen'. It is link #15, amidst almost all untrustworthy sites. *"There are no rulers outside the reach of freemasons. ... Nobody knows how many secret chevaliers and knights of different orders and lodges there are in his country. Many states have already lossed sovereignty."*

2. **alberichswahrheiten.wordpress.com:** Mozrank of 2.59 in 2014. Copied the claims of Kevin Annett, who accused just about every high Dutch official of child abuse, as well as Pope Francis, Queen Elizabeth and other leading figures.

That same year the site's admin, Ella Ster, pushed Pizzagate disinformation at the Trueman Show.
12. **HetNieuwsMaarDanAnders.nl:** Alternative news site that among other things pushes chemtrail theories. Example: hetnieuwsmaardananders.nl/binnenland/het-bewijs-chemtrails-geanalyseerd/ (posted: April 24, 2025).

23. **pineut.wordpress.com:** I run into this cheap and terrible-looking Dutch Christian blog on September 25, 2022 searching on Google.com for 'bilderberg "een-derde" politici zakenmensen'. It is a top 20 link. The article concerns 'Dutch participants Bilderberg 2016', is very short, has no sources, misses one of its pictures (an external link to defunct conspiracy site thesleuthjournal.com), contains images of the Illuminati pyramid with all-seeing-eye and texts as "Agenda 21", and contains a tab at the top that reads 'Maankalender 2013' ('Moon Calendar 2013'). My own new Bilderberg aticle is nowehere to be found in Google.

25. **rtdutch.net:** Anti-Corona lockdown protestors. Stole ISGP material at rtdutch.net/klimaatverandering-club-of-rome-prins-bernard-en-beatrix. Mainstream media attention to discredit "conspiracy

34. **Viruswaarheid.nl:** Hit number 2 on Google.com typing in 'Global Preparedness Monitoring Board sigrid kaag' on August 28, 2021 and generally a Dutch conspiracy disinfo site I regularly run into anno 2021. The site is ran by anti-Corona Lockdown activist Willem Engel, son of infamous Dutch slumlord Cees Engel, who was bought out of the city of Rotterdam and once received a year jail sentence for offering housing to drug criminals. In 2020 he made the national news for his case against the Dutch government over the legality of its implemented Corono curfew. He never really left the news (on July 24, 2021 I saw criticism of him pushed on my YouTube frontpage with a fresh account). Conspiracy disinfo YouTube and social media channels

1. **The 5th Kind:** [8] The channel works with Paul Wallis, who wrote 'Escaping from Eden'. On May 6, 2023 an 11 million [14 million in Dec. 2024] video entitled 'WHY ARE WE HERE? A Scary Truth Behind the Original Bible Story | Full Documentary' was found at position 11 when searching Youtube for 'conspiracy foundations congressman rockefeller ford carnegie 1960s'. The entire channel is dedicated to ancient aliens, some with millions of views. The video 'The Book of Enoch Banned from The Bible Reveals Shocking Secrets Of Our History!' had 11 million views in Nov. 2024. Videos promote Erich Von Daniken, Jacques Vallee, Richard Dolan, Graham Hancock, Steven Greer, Dr. John Mack and other disinformers. Listening to the intro video on the channel on Nov. 27, 2024, Wallis says, *"Do you feel that .... you may have been a different gender in another life? Do you feel deeply that the genders are equal, including with regard to leadership."*

2. **Patrick Bat-David:** Born in Iran. His family fled after the Shah of Iran fell and during the Iran–Iraq War of 1980-1988. U.S. paratrooper at the 101st Airborne Division. Briefly a bodyguard for some kind of leading L.A. cocaine dealer, according to his own words. Glendale branch manager at Morgan Stanley Dean Witter 2001-2009, which got him into big business. Ended up with a fortune of $350 million. Went into podcasting in 2012. Runs the PBD podcast and the Valuetainment podcast. [9] Conservative pundit who became very prominent on YouTube and social media. Interviewed Trump on October 16, 2024, which, as usual, was blocked on YouTube. He also interviews conspiracy disinformers such as Alex Jones [10], the Disclosure Project's Steven Greer. [11], and Flat Earther Christian evangelical Bryce Mitchell [12], who hails from the Eddie Bravo corner.

3. **Sean Mike Kelly:** Podcast with 12 million followers on Instagram anno 2025. It promotes a lot of Muslim conversion videos and conspiracy disinformation. A first TikTok check of Sean Mike Kelly podcast clips reveals the one with Elizabeth April, going: *"They did indeed set up a ... Hollywood studio to film this fake Moon landing. And we really did go to the Moon, but when we went there we were visited by offworld visitors. And they said... "You're not allowed to be here." ... Oh, I have [...] remote-viewed [that]. ... When I was in the Antarctic base and I was going through the hallways I could feel like the cool dampness of the air. What they were doing over there was pretty horrific. Essentially what I saw was [human] experimentation to make some sort of super-soldier.* [13] In other words: Coast to Coast AM all over again.

4. **Konkrete podcast:** [14] Shows up on the YouTube frontpage on occasions. Has interviews with CIA veterans, one of which is surprisingly good ("liberal CIA"-tied John Kiriakou). However, the site is dominated by alien and new age disinformation. Titles include: 'Aerospace Billionaire Claims Aliens are Walking Among Us | James Fox', 'Suspicious Alien Metal Discovered at Roswell | Jeremy Rys', 'Does Flat Earth Agree with Religion? Mario Bastunetti', 'Our Universe is Predetermined by Simple Math | Esoteric Eddie', 'How Tupac Could Still Be Alive | David Lucas'.

5. **Shawn Ryan - former Navy Seal (and, as it turns out, CIA asset):** [15] "Supermanly" YouTube channel with a former special forces operator who has posted many lengthy interviews with veterans from the Navy Seals, Delta Force, CIA and other special forces. He shares the CIA's Andrew Bustamante (who definitely does not say anything controversial) with KonKrete. There's people like Delta Force operator John "Shrek" McPhee making nonsense claims such as that Bush invaded Afghanistan 40 hours after giving a 48 hour deadline that prevented the Taliban from handing over Osama bin Laden. [16] Also, in 2023 he also extensively interviewed major UFO disinformer Dr. Steven Greer. [17] On July 13, 2023 Shawn Ryan went even deeper into conspiracy disinformation with the video '3 Whistleblowers Break The Silence on Antarctica Earth Quake Weapon, Stargate, and UFO Encounters'. Videos of him also are prominent in the TikTok conspiracy disinformation feed. On July 18, 2023 Shawn Ryan uploaded a YouTube clip with the title 'Infantry Marine Witnesses a UFO Smuggling Humans and Weapons'. At this point it is clear Ryan is spreading disinformation.

   As it turns out (which I only learned a year after adding him here), Shawn Ryan was a CIA operative after having been a Navy Seal from about 2000 to 2005. [18] In 2004, in the Seals, he did operations such as in Haiti against Aristide (Feb. 2004). [19] He thought there was too much downtime in the Seals, left, and tried his hand in business (real estate, fast food, fireman), partly with his father. [20]

   Both lacking money, he made himself available for mercenary duties. Spending a week as a embassy security guard in Afghanistan for Britain's ArmorGroup, he was able to get into a special operations-only black CIA contract through Blackwater. [21] Apparently from early to mid 2008 (the Sep. 2008 financial crisis hit at the *"very beginning"* of his CIA career) until about 2014 he spent doing ops for the CIA, a lot of them solo. He was making *"really good money"* from it. [22]

   After that career came to an end, his adenaline addiction led to

heavy duty medical drug, liquor, and eventually cocaine use. [23] From around 2014 to 2018 he spent a good 4.5 years in Medellin, Colombia, partying and *"buying and sourcing drugs ... for a fee"* as an *"intermediary"* between local drug dealers and rich white tourists looking for cheap prostitutes, drugs and partying. He was living at a penthouse on the top floor of a hotel. [24]

Or so he says. It's the aspect of his life where people are most skeptical about in terms of NOT being a CIA asset [25], because at the same time he has admitted to having build a full-fledged international drug network in a way that he was trained at by the CIA. He would develop *"local sources"* by taking care of people as doormen, taxi drivers, prostitutes ("my girls"), and drug dealers. Then he would find out who the dealers of the dealers were, and then the dealers behind them. [26] In his words: *"I would find dealers. And then I would find their dealers. And then I would find where their dealers get their stuff. And I got to a pretty high level."* [27] He has openly admitted to having expanded his drug trafficking network to *"the Dominican Republic, Panama, all over Colombia ... Costa Rica"*, trying to establish a network in Peru as well [28], although he was blocked by local authorities on day 1. Similarly, a doorman warned him that the Colombian police was observing and bugging his penthouse at the top of a hotel, so he ran a *"counter-surveillance route through a couple of different internet cafes, bought a couple of tickets to different places outside of the country, and hauled ass to the airport."* [29] He never returned.

Back in the United States, in 2019, he founded the Shawn Ryan show, doing things as explaining his Navy Seal life and reviewing rifles. A close friend recommended he use psychedelics as Ibonaine and 5-Meo-DMT to get rid of his addictions. He claims it was successful, and talked about that as well. [30] Finally he also started putting out tons of conspiracy, new age and UFO disinformation, next to his military videos. He was invited to the conspiracy disinformation-riddled Joe Rogan podcast on Sep. 26, 2024, who telling praised Ryan as a *"Navy Seal Art Bell"*. In 2025 Tucker Carlson went super-soft on him and heavily promoted him. So did another Fox News veteran, Megyn Kelly. Not to mention the CIA-tied Google / YouTube algorithm and social media as Instagram and TikTok.

6. **Trueman Show:** Dutch conspiracy disinformation show ran by a Jorn Luka, who got into conspiracy theory after his dance business was ruined by the Covid-19 pandemic that began in early 2020. Early on for his Trueman Show he interviewed David Icke, still talking

about reptilians. [31] Various other guests spoke out against things as vaccinations, the Freemasons, and the Rothschilds [32], and promoted disinformation as chemtrails [33] and Pizzagate. [34] Among the guests of the show were Dutch conspiracy disinformer and rapper Lange Frans [35], a supposedly very respectable professor Kees van der Pijl (repeatedly), who wrote the 1984 book 'The Making of an Atlantic Ruling Class', but turns out to spread conspiracy disinformation on the Pim Fortuyn assassination in the first and only segment listened to by this author [36]; later Ongehoord Nederland anti-Israel propagandist Boris van de Ven [37], well-known apparent speech-impaired model Kim Feenstra, speaking out against vaccinations [38]; 9/11-no-planer George van Houts [39], who tried to communicate with this author in 2019; Bilderberg-tied 9/11-no-planer and UFO disinformer Coen Vermeeren [40], leading Dutch alt right politician and anti-vaxxer Thierry Baudet (at least 4 times) [41], Baudet's Forum for Democracy colleagues Gideon van Meijeren [42] and Pepijn van Houwelingen [43]; Coast to Coast AM's Catherine Austin Fitts (more than once) [44], who used to be a close ally of CIA director and ultimate DOD insider James Woolsey; 2021 Libertarische Partij / Libertarian Party candidate Robert Valentine [45] extremely wide-promoted supposed child abuse victim Anneke Lucas [46], who once got mad at this author when he didn't take her claims serious; Gay Krant editor-in-chief and politician Henk Krol [47], who largely put the Demmink affair into motion; TV presenter Ellemieke Vermolen [48], Alistair Overeem, against Corona lockdowns and vaccinations [49]; Fajah Lourens [50] and others. Quite a few bureaucrats and politicians of some standing have been guests. Russian ambassador to the Netherlands, Vladimir Tarabrin (also went on Ongehoord Nederland, an alt right program sanctioned by Dutch state TV), is another good example of that. [51] At the same time Trueman Show has other anti-NATO, anti-Ukraine War guests on. [52] But so are former senior bureaucrat Hans Siepel, former judge Barend van Thiel (talking about "depopulation") and others.

7. TheNewAmerican.com: Magazine of the old John Birch Society. Only the 20th and 21st links on Yahoo on August 28, 2021, after searching for 'bilderberg 2021 attendees', this behind two official links and an endless stream of copy-paste, total-garbage blogs with barely any content, indicating The New American has been downranked. While some of the books and articles of the JBS of the 1970s on CFR elites and such are informative, it seems this page has devolved too into Trump-like ranting and sarcastically name-calling using terms as "Fake News Media (FNM)" and "presstitutes", with memes that include putting Devil's horns on liberals.
8. Tucker Carlson: Superstar of the "anti-establishment" "alt right" movement, whose father was a CIA-tied Iran Contra propagandist and Pilgrims Society member, alongside the Rockefellers, Morgans, Astors, Rothschilds, and British royals. Tucker became a Pilgrim too. All this may explain his superstar status. Like his father, he is a right-wing propagandist: relentlessly in his "anti-liberal", "anti-left", pro-Christian and anti-Israel stances. From at least 2024 he was also aiding the likes of Shawn Ryan in spreading questionable UFO theories [53], or interviewing people who continue Graham Hancock's quest of spreading Ancient Egyptian pyramid disinformation. [54]

9. GeenStijl.nl: Prominent anti-establishment, libertarian-oriented blog that is highly critical of "the left" in Dutch society, but ignores and ridicules things as Bilderberg.
10. Dagelijksestandaard.nl: A Dutch news site that is similarly anti-establishment, "anti-left", libertarian-oriented.

3. **Progressiveissuesblog.wordpress.com:** 9th hit on Yahoo on August 28, 2021, behind the official Bilderberg site, Wikipedia, and various other conspiracy news sites, for 'bilderberg 2021 attendees'. Very basic June 2021 article on Bilderberg that won't inform you of anything. It lists critics, but only disinformers. Looking around, elite-funded Black Lives Matter and Code Pink propaganda is supported. That makes sense, because from the 'About' section we learn that the site belongs to an old leftist political activist, who describes himself as *"a progressive minded intellectual [whose] mentors are [top "liberal CIA" asset Ralph Nader...
